Re: Letter to Paula Bisson, August 03, 1998

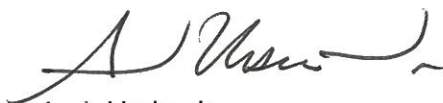

Dear Mr. Weintraub,

Thank you for your expeditious response concerning the consent agreement (TSCA-09-89-0015) between Aluminum Company of America (Alcoa) and Regional Council, U.S. EPA Region IX.

Pursuant to our telephone conversation of August 27, 1998, I understand that, as indicated in the December 23, 1991 correspondence from Mr. Davis Bernstein, Chief, Air and Toxics Division, U.S. EPA Region IX, Alcoa has been in full compliance with the Order, and Region IX has considered the matter closed. Also, as you indicated, Mr. Bernstein's letter of December 23, 1991 was notice to Alcoa of final closure of the Order, and; Alcoa will not receive any further documentation on the matter.

Again, thank you for your assistance in this matter.

Sincerely,

A. J. Ursic, Jr.
